- All conditions for advertised positions must be clearly publicized in the position description. This includes, but is not limited to, positions that are commission based, involve out-of-pocket financial expenses, test taking, etc.

The College shall not be responsible to anyone who posts, accesses information, or otherwise uses Hire a Knight for any direct or indirect harm, damage, or loss incurred in connection with such use, regardless of the nature of the claim or cause of action. Without limiting the foregoing, the College expressly disclaims any responsibility or obligation to assess or determine the suitability of any individual seeking employment, any potential employer, or any potential employment situation.

- Identify, on all job postings, the name of the employer being represented.
- Charge no fees to the candidate.
- May not attend career fairs unless they are hiring for their own office. Exceptions will be made on a case by case basis for third party recruiters who recruit for a specific area.
-

Employment professionals will maintain the confidentiality of student and alumni information, regardless of the source, including personal knowledge, written records/reports, and computer databases. There will be no disclosure of information to another organization without the prior written consent of the student/alumni.

We provide a table and chairs during peak traffic times (11-1pm) in a highly visible area. You are welcome to bring your own table cloth, banner, table top displays or other company marketing items or giveaways, but cannot put anything on the walls, doors or windows. Please note the college has a no solicitation policy, so the sole purpose of the visibility table is to increase awareness of your company and available positions. Visibility tables are limited to one table per month per employer and two (2) representatives per table. Violation of the policy may result in loss of access to SNC and Career & Professional Development.

In recruiting at St. Norbert College, you agree to accept and comply with the policies and procedures of the SNC Career & Professional Development office. We reserve the right to refuse service to any organization whose business we believe is of a nature that is not appropriate for our students and alumni, nor consistent with the mission of St. Norbert College. If the Career & Professional Development office determines that an employer has practiced recruiting techniques that are inconsistent with the requirements set forth in this policy, the employer's recruiting privileges (including access to Hire a Knight) will be suspended for one year. If after one year the employer would like to be reconsidered for eligibility to recruit on campus, they must contact the Career & Professional Development office for a face-to-face meeting. All decisions concerning registration of companies and organizations are made in the College's sole discretion.
