

Your CarePlus Dental Plan includes two (2) cleanings and exams every year.

The cost of cleanings and exams no longer counts toward your Annual Dental Plan Maximum.

Your CarePlus Dental Plan now has more dollars available for other dental services .

Your regular six month cleanings will help your dentist determine if you have any concerns that should be addressed. They may take x-rays, check your bite, inspect your gums or use advanced dental devices to comprehensively examine your mouth . If needed, the dentist can provide the necessary follow-up care.
