

Counting Students at St. Norbert College

Isabella is a student who commutes to St. Norbert College because she serves as a caregiver in their family.

Compared to residential students at SNC, Isabella is more likely to be motivated to:

- Make her family proud
- Be accepted into graduate school by graduation

Nick is a student who commutes to St. Norbert College every day. He lives at home in order to save money for college and bills. Nick is a first-generation college student.
